Leading exporter of Dyes, Pigments & Chemicals for various industries to more than **15** countries.

Bhavna Group was estb in 1979, by its founder Mr. Suresh M. Shah with (Bhavna Trading Co.), a humble beginning by trading activities of Dyes, Pigments & related chemicals.

The changing market trends & success of Bhavna Trading Co. set a platform for another milestone in 1981 setting up a manufacturing unit at Gujarat in western belt of India.

With increased exposure of India in world market, Bhavna group then forayed into exports. Since 1984, with an export oriented entity, which is now ISO:9001:2015 certified and **A Government of India Recognised Star Export House** and flagship organisation of Bhavna group, Bhavna Colourants LLP.

Mr. Suresh M. Shah had a vision no less than a dream when he started, but under his far sighted leadership, Bhavna Colourants is today a leading exporter of Dyes, Pigments & Chemicals.

Our Vision

Our vision is to become one stop partner to all our customers for their requirements for dyes, pigments & chemicals.

We look forward to strong value addition for our customers through continuous product development, optimum use of latest technology & commitment towards consistent supply.

Our Mission

As a family owned business, our mission is to collectively use the wealth of our expertise of over 40 years with strong business ethic towards value addition for our clients.

"Customer First" approach drives our team to consistently supply best quality products as committed at competitive price and technical support for thorough results.

*Our wide product range is
our strength that enables our
customer to have a one stop
partner for all the colourants
(Dyes & Pigments) &
Chemicals requirements.*
